PLAYSAN PLAYGROUNDS

Design, Security and Entertainment All in One

Playsan is a playground manufacturer that brings together an engineering perspective with the world of children.

It prioritizes quality, safety, and sustainability in all processes, from design to production. Playsan products, preferred in many countries today, offer children safe play areas while contributing to the aesthetic value of cities.

Each project is specially designed and meticulously produced to support children's imaginations. With its innovative solutions and eco-friendly materials, Playsan creates not only playgrounds but also living spaces that add value to communities.

By prioritizing safety and quality in every detail, it offers unforgettable experiences for both children and families.

Games that reach around the world.

At Playsan, with our export capabilities extending to over 40 countries, we confidently bring playground equipment to the world. The playgrounds we produce in different geographies with the same quality, safety, and design standards form the foundation of our global brand vision.

Production at International Standards

With our production philosophy centered on quality and safety, we develop our products in accordance with ISO and EN standards. We offer assurance with ISO 9001:2008, ISO 14001:2004, OHSAS 18001:2007, TS EN 1176 series, TS 12427, TS EN 16630 and TSEK certificates.

We manufacture according to international standards.

At Playsan, we conduct all our production processes in accordance with international quality, environmental, and occupational safety standards. Our products are developed with durability, safety, and long-lasting use in mind at every step, from design and production to material selection and final inspection.

With our approach that prioritizes children's safety in playgrounds, we produce solutions compliant with TS EN 1176 standards and offer durable and sustainable products suitable for outdoor conditions. Thanks to our quality management systems, we aim to maintain the same high standard in every project with stable production, controlled processes, and a reliable supply chain.

Now it's game time!

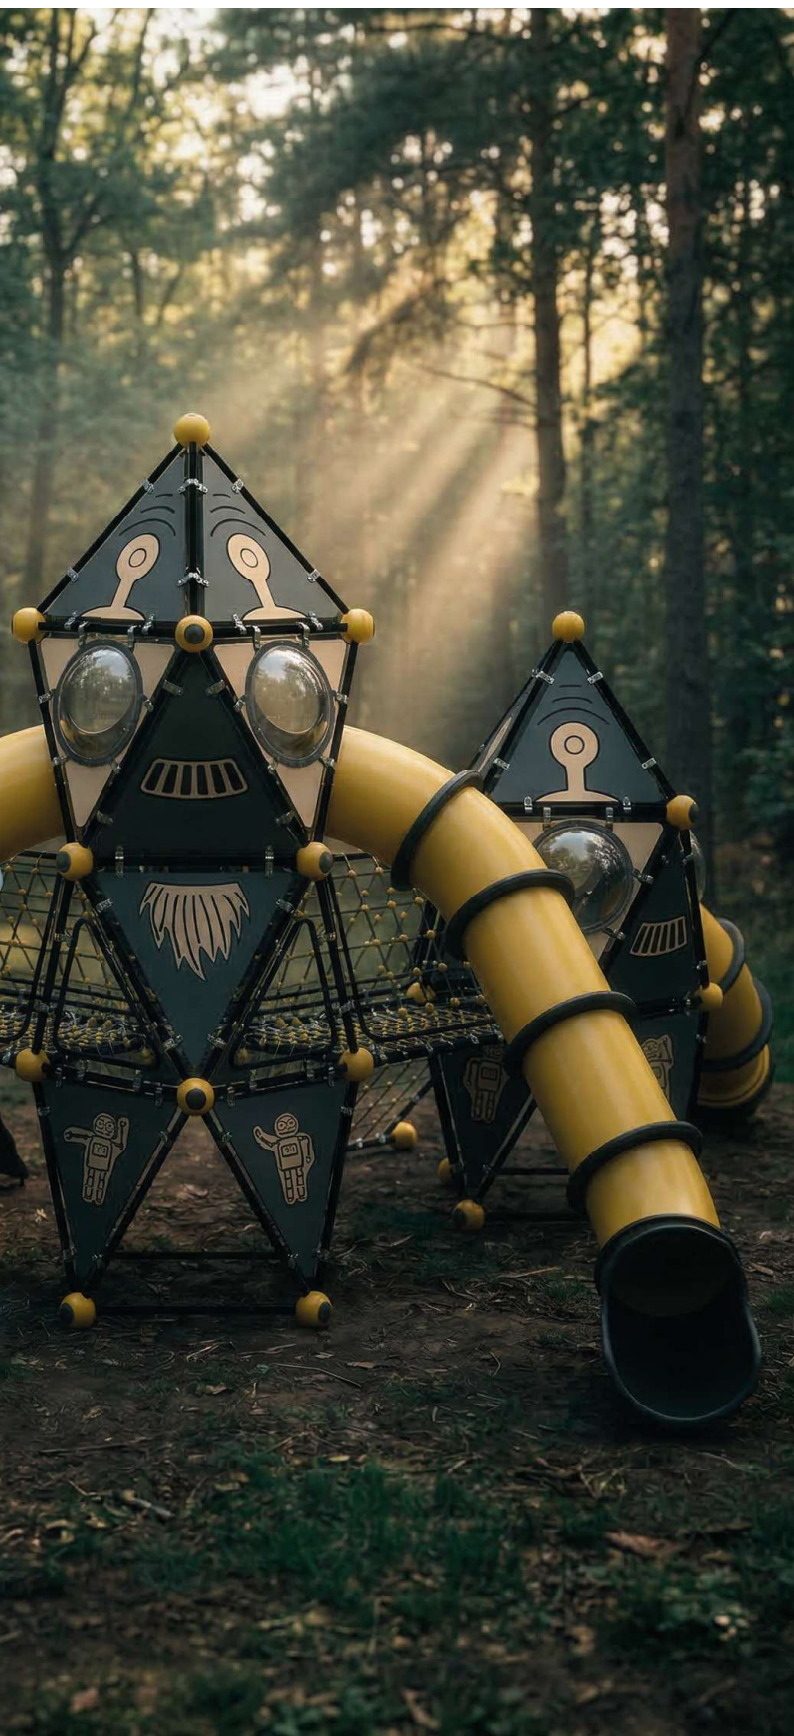

For children, time gains meaning through play.

The spaces where they dream, explore, and move freely expand their world.

The playgrounds we design at Playsan are here for safe, creative, and fun-filled moments.

Come on...
The time has come.
Now it's **playtime**.
